RESIDENTIAL PRE-UNIVERSITY COLLEGE

CANARA HIGH SCHOOL ASSOCIATION

Canara High School Association has a long history of educating generations over the past 133 years. It was founded by the great visionary Sri Ammembal Subba Rao Pai way back in 1891, during the pre-independence period. Presently it has over a dozen educational institutions, imparting quality education from Nursery level to Post-Graduation. Canara with a glorious history of over 133 years strives at preparing students for higher education through a strong academic foundation and a lively cultural heritage.

Sri Ammembal Subba Rao Pai was not only placed great emphasis on education, but also held that a strong society is one in which its members have access to the information and resources necessary to manage and make decisions about their finances. In order to enable the people to mobilize their own resources for self-help, he founded the Canara Hindu Permanent Fund in 1906, which is now known as Canara Bank, one of India's top bank.

The seed that our founder sowed more than a century ago has grown into a huge tree that provides the society with shelter in the form of educational opportunities, employment opportunities and financial support, thereby fostering the welfare, prosperity and growth of the community. With the acquisition of Vikaas Educational Institutions, Canara Group of Institutions will continue to uphold his legacy.
